The "Brooklyn"

1450 Square foot ranch

Split master ranch

3 Bedrooms

2 Full bathrooms

Oversize 2 car garage

Large kitchen and dining area with pantry and island

Very nice size living room with a bump out creating more space

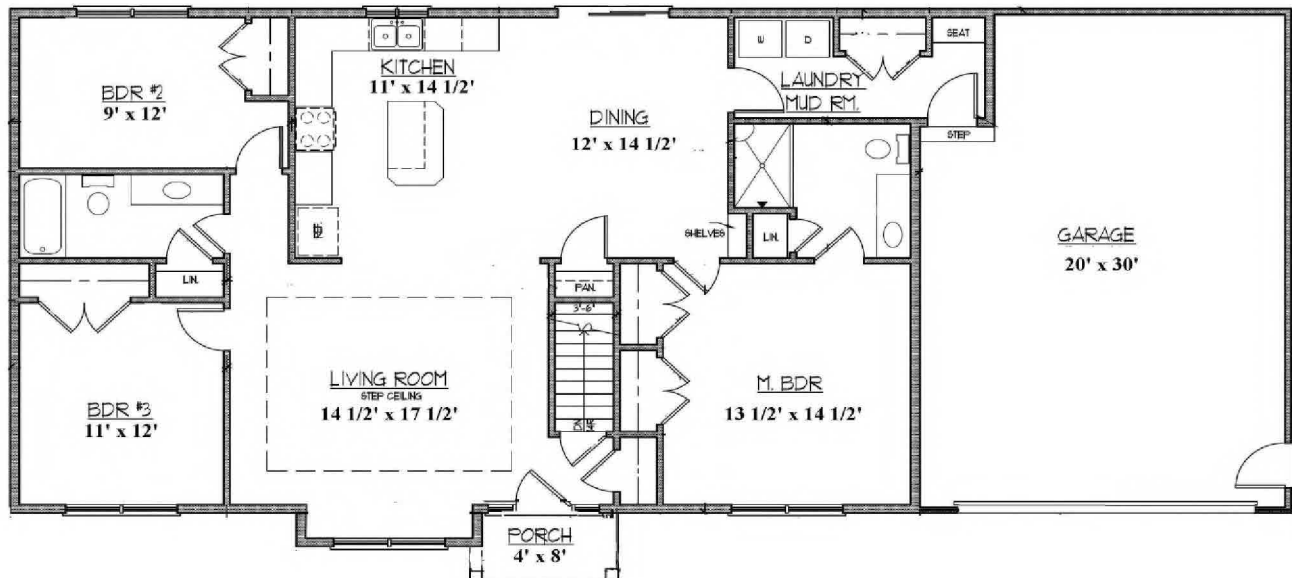

Step ceiling in living room with indirect lighting

Basement stairwell may be enclosed or have open railings

Mudroom/ Laundry with closet, bench and cubbies

Home feels much larger than it is

Great Basement to finish!
